## Blanket Humor

A man and a woman who have never met before find themselves in the same sleeping carriage of a train. After their initial embarrassment they both go to sleep.

In the middle of the night the man leans over and says, "I'm sorry to bother you but I'm cold and I was wondering if you could pass me another blanket."

The woman leans out and says in a sexy voice, "I've got a better idea, let's pretend we're married."

"Great" says the eager man.

"Good", she replies, "GET YOUR OWN BLANKET!!!"
